Wake Up!

March 23rd, 6:30 pm

Ian Hanger Recital Hall, Queensland Conservatorium

The sharp trill of an alarm clock launches Clocked Out into 2011.

After ten years of the *same dream*, forays into the *wide alley* searching for *foreign objects*, cleaning up the messy *spills* of *Dada*, we finally say enough is enough.

It's time to *Wake Up!* to the everyday sounds around us with special guests Joel Stern, Nicholas Ng, Lawrence English, Jan Baker-Finch & more!

"Sure to bring smiles of joy and gasps of amazement in equal measure." – Resonate Magazine

Please join us after the concert to celebrate the launch of our 2011 program!
